I hereby agree to all terms, conditions and restrictions written or printed below and to the Driveway Regulations of the City of Harrison, including drainage and other precautions for the protection of the public and all utilities within the public right-of-way and to any and all installations in and around said driveway. If work done under this permit involves or endangers structures belonging to others, I shall immediately notify the owners.

This permit may at any time be revoked or annulled by the Building Commissioner's Office for non-performance and/or non-compliance with any of the conditions, restrictions and/or regulations. Violations of or non-compliance of said regulations are subject to penalties provided by Section 1231 and A-15 [A] - [B] A-14 [C] - [D] of the Hamilton County Code as adopted by the City of Harrison. NOTE: No concrete will be poured below 25° F temperature.

At all times during the progress of the work, adequate protection and passage shall be provided by the permit holder for the traveling public.

Plans and/or application must be approved and permit secured before commencing work. Regulations require that you notify the Building Commissioner's Office 48 hours before inspection.

NOTE: City Ordinance No. 8-75. All private Concrete driveways require 5½" actual thickness and 3,000 # P.S.I. air-entrained mixture.
